Classified By: DCM Robert Ford for Reasons 1.4 (b) and (d)

11. (U) Visas Viper

12. (U) Post: Baghdad
MEETING DATE: 03 Jan 2010
CHAIR: DCM Robert Ford
COORDINATOR: CONOFF David Brownstein
ATTENDEES: DCM, FBI, POL-MIL, ECON, CONS, MNF-I (CJ9),
DHS, MNF-I (C2X)

13. (U) THE COMMITTEE IS SUBMITTING INFORMATION ON THE
FOLLOWING INDIVIDUALS UNDER THE VISAS VIPER PROGRAM.

14. (U) Name: Al Jaff, Sirwan Muhammad Husain

(U) ID: Iraqi Passport G2828806, Issue Date: 23 JUN
2009, Exp Date: 22 JUN 2017

15. (S//NF) Justification: Al Jaff is a former detainee and
former Titan interpreter who worked for Coalition Forces
(CF). He provided sensitive information to Mosul-based Al
Qaeda in Iraq (AQI) leaders, to include information on
scheduled raids and Coalition Forces vulnerabilities. Al
Jaff is associated with multiple Ansar al-Islam (AAI) and
mujahideen leaders in Northern Iraq. Al Jaff has had at
least 15 contacts with Abu Zacheria, a leader of the Ansar Al
Islam. He was detained on suspicion of passing sensitive
information to a terror cell. Al Jaff was denied access to
all US. military installations on 28 Sep 2009. His former US.
military supervisor, COL Michael E. Kurilla, stated the
following: "He was personally talking to the top Al Qaeda
leader in Mosul and passing them information, times of raids,
vulnerabilities of Strykers, TTPs to attack us, etc. Al
Qaeda in Iraq (AQI) was even trying to make him a suicide
bomber due to the access he had. We intercepted all of this
and then when we detained the AQI #3 in Mosul, he confirmed
it. We even had a detainee stating he was the greatest
threat to Coalition Forces in Mosul based on his base access.
This TASK FORCE arrested him and sent him straight to Bucca
(Note: Camp Bucca Detention Facility. End Note.). We need to
make sure he does not slip through the cracks. He is very
smart - speaks 5 languages, has military training." Source:
